## Order terms and conditions

- The products are available through American Academy of Pediatrics' non-exclusive distributor, Laerdal Medical.
- Freight charges are additional to above listed prices, and will be quoted for the individual order.
- Orders must be prepaid via a bank transfer.
- Ordered and shipped products are only refundable if they should arrive in documented damaged condition.
- Minimum order quantity is 50 HBB Facilitator Sets or USD 3,000. Smaller orders will be considered, however; a special handling fee will be charged.
